March of Dimes materials are for information purposes only and are not to be used as medical advice. Always seek medical advice from your health care provider. Our materials reflect current scientific recommendations at time of publication. Check marchofdimes.com for updated information.

Prices subject to change without notice.

Welcome to the March of Dimes Product Catalog. The products displayed here reflect 70 years of experience assisting and educating the public, businesses and health care professionals. Our award-winning English and Spanish consumer products provide information that encourages healthy behaviors that lead to healthy pregnancies and healthy babies. Our continuing education products help health care professionals integrate the latest scientific and clinical advances into delivery of care for mothers and babies.

We welcome your comments on our consumer and professional education products and online resources (see inside back cover for listing). Please send them to productcomments@marchofdimes.com.

Thank you for being part of our national effort to improve the health of mothers and babies.

Symbols to help you browse:

NEW We continue to create new products to ensure the most current information available on a variety of pregnancy-related topics.

EASY-TO-READ We've created these materials especially for clients with limited reading skills. They're designed for use with populations who read at a fifth- to seventh-grade reading level.

Fact sheets on this topic Look for the light pink boxes to refer you to fact sheets on particular topics.

UPDATED These products have updated content and, in most cases, have a new look.
